**NOTICE OF REGISTRATION OF TRADE NAME**

Part 215 of the Department's Regulations (14 CFR Part 215) provides that any certificated air carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such name after the carrier gives notification of the proposed use of the name to similarly named carriers.

On December 9, 2003, United Air lines, Inc. filed a request that the Department register "Ted" as a trade name for use in its operations

After reviewing our files, we have identified no other certificated, commuter, or foreign air carriers using a name similar to "Ted." Under these circumstances, we hereby register "Ted" as a trade name to be used by United in its certificated air carrier operations.
